

 **Brynn's Bread**
Traditional, Local & Organic
Falmouth, MA

Throughout time, the basic ingredients of bread: flour, water, and yeast have changed very little. So what you might ask sets apart Brynn's Bread from the rest?

In Brynn's micro-bakery, every batch of bread is mixed, shaped, and baked by Brynn herself. Using high quality, organic, and local ingredients every loaf is full of flavor with ingredients that you can pronounce.
